

The School of Health Professions and the Vice President for Equity & Inclusion and Chief Diversity Officer at Stony Brook University are pleased to present:

Optimizing Community-based Inclusion for People with Disabilities

Friday, November 6, 2026

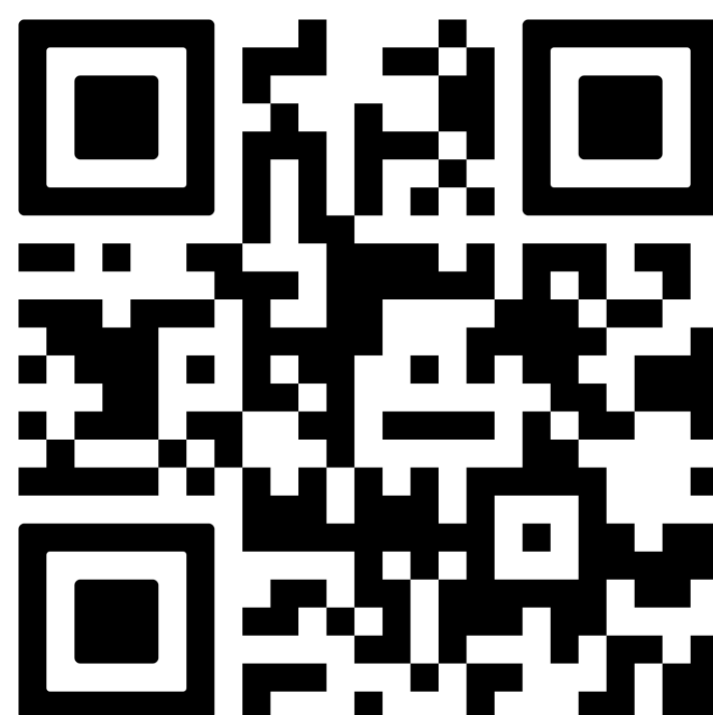

8:00 AM to 3:30 PM

Stony Brook University

Charles B. Wang Center Theater

The Inclusion Done Right! annual conference provides an integrated bridge between Stony Brook University and community partners to promote inclusive community-based opportunities that align with best practices and optimize participation for people with disabilities.
