

TABLE 1: SHP required courses and LIN correspondents + prereqs

SHTM required courses	corresponding LIN courses	prereqs for LIN courses
HAS 310 “Applied Phonetics of English”	LIN 201 “Phonetics”	C or better in LIN 101, or permission of instructor for SLP students
	LIN 522 “Phonetics”	xxx
HAS 311 “Speech & Language Development”	LIN 330 “Language Acquisition”	C or better in LIN 101 (or LIN 530) and LIN 201 (or LIN 522), or permission of instructor for SLP students; prereqs not enforced in summer and winter
HAS 312 “Anatomy & Physiology of the Speech, Language & Hearing Mechanism”	LIN 380 “Anatomy & Physiology of Speech & Hearing”	C or better in LIN 101 (or LIN 530), or permission of instructor for SLP students; prereqs not enforced in summer and winter
HAS 313 “Speech Science”	LIN 350 “Experimental Phonetics”	C or better in LIN 101 (or LIN 530) and LIN 201 (or LIN 522), or permission of instructor for SLP students

TABLE 2: Semester HAS course correspondents in LIN are offered:

	spring '22	summer-1 '22	summer-2 '22	fall '22	winter '23	spring '23
HAS 310 >> LIN 201/522	√		√	√		√
HAS 311 >> LIN 330				√	√	
HAS 312 >> LIN 380		√				
HAS 313 >> LIN 350				√		

TABLE 3: Schedule of relevant LIN courses and modality:

semester	LIN course prereqs and course correspondents	other LIN courses
spring '22	LIN 101 (in person) LIN 201 (in person)	
summer '22 (ses. 1)	LIN 101 (online) LIN 380 (online) LIN 530 (online)	LIN 382 (online)
summer '22 (ses. 2)	LIN 522 (online)	LIN 381 (online)
fall '22	LIN 101 (in person) LIN 201 (in person) LIN 330 (in person) LIN 350 (in person) LIN 530 (in person)	
winter '23	LIN 101 (online) LIN 330 (online)	
spring '23	LIN 101 (in person) LIN 201 (in person)	

TABLE 4: List of HAS and LIN courses:

HAS 310 “Applied Phonetics of English”
HAS 311 “Speech & Language Development”
HAS 312 “Anatomy & Physiology of the Speech, Language & Hearing Mechanism”
HAS 313 “Speech Science”

LIN 101 “Human Language”
LIN 201 “Phonetics”
LIN 330 “Language Acquisition”
LIN 350 “Experimental Phonetics”
LIN 380 “Anatomy & Physiology of Speech & Hearing”
LIN 381 “Language and Speech Disorders”
LIN 382 “Audiology”
LIN 522 “Phonetics” (graduate course)
LIN 530 “Introduction to Linguistics” (graduate course)

- For advising on prerequisites, please contact Prof. Marie Huffman: marie.huffman@stonybrook.edu
- For information on course schedules, you can consult the Department of Linguistics website: <https://linguistics.stonybrook.edu/academics/courses/Courses.php>
or the Registrar's "Class Offerings by Term" list: <https://www.stonybrook.edu/commcms/registrar/registration/schedules.php>
