

Poster Competition 1<sup>st</sup> Place: Zyhra Casero – “Technological Advancements in Play Therapy to Minimize the Use of Anesthesia in Pediatric Patients”

Poster Competition 2<sup>nd</sup> Place: Craig Utter – “Treating Ewing Sarcoma in Radiation Oncology”

Four of our students completed essay competition submissions and three of them placed in the top three:

Essay Competition 1<sup>st</sup> Place: Christy Huang – “Addressing the Stress and Anxiety of Pediatric Patients Undergoing Radiation Therapy”

Essay Competition 2<sup>nd</sup> Place: Simon Ridley - “Exploring Proton Therapy for Pediatric Patients Diagnosed with Medulloblastoma”

Essay Competition 3<sup>rd</sup> Place: Gloria Choi – “Treating Pediatrics in Radiation Oncology: Hodgkin’s Lymphoma”

Jennifer Donis – “The Radiation Therapist’s Role in Enhancing the Pediatric Patient Care Experience”

Craig Utter – “Treating Ewing Sarcoma in Radiation Oncology”

Two students elected to participate in a 15-minute speech on a topic of their choice, presenting to an audience of about 150 radiation therapy and medical imaging professionals.

Zyrha Casero – “Treating Oral Cavity Cancer in Radiation Therapy: A Case Study”

Craig Utter – “Treating Ewing Sarcoma in Radiation Therapy: The RTT Student Perspective”
