School of Health Professions Mission Statement

The mission of the School of Health Professions is to provide the highest quality education in an inter-professional learning environment that fosters educational and translational research, scholarly activity, critical thinking, evidence-based practice, leadership, and professionalism, while affirming the importance of ethical behavior, human diversity, equity and inclusion, cutting-edge technology, and a team approach to health care.

To achieve this, the School endeavors to:

- Promote patient health and well-being by teaching the knowledge, behavior, and skills needed to ensure excellence in practice;
- Expand knowledge through research, scholarship and creative activity;
- Facilitate innovative and responsible methods of managing and delivering high quality, cost-effective, accessible health care;
- Respond to current and emerging public health challenges both locally and globally;
- Cultivate partnerships among faculty, staff, students, alumni, and community

FAR BEYOND

School of Health Professions Vision Statement

The School of Health Professions strives to be the preferred choice for tomorrow's interprofessional healthcare workforce, preparing the next generation of high-quality clinicians, while supporting clinical translational and educational research, and innovative, inclusive teaching that anticipates and responds to the needs of our diverse community, our region, and beyond.

OFFICE OF STUDENT SERVICES

FAR
BEYOND

- Application for all Federal Financial Aid Programs.

- FAFSA must be completed annually at www.fafsa.gov.

- Be certain to add Stony Brook University's federal school code: 002838.

- 2023-2024 FAFSA became available on October 1st.

- Tax information can be accurately transferred using Data Retrieval Tool.

- Packaging for Summer occurs in mid-May, and for Fall/Spring in late June.

Federal Direct Unsubsidized Loan

- Unsubsidized loans are non-need-based loans and are available regardless of financial need. The student must be enrolled in a degree program with six or more credits and have a valid FAFSA on file to be eligible.

- Graduate students may be eligible for up to $20,500 during the academic year, depending on their cost of attendance budget

- First-time borrowers will be required to complete a Master Promissory Note and Entrance Counseling before loan funds can be disbursed.

- The federal government does NOT pay the interest. Interest begins to accrue as soon as the loan funds are disbursed. Students may choose to pay the interest that accumulates, or have it capitalized – meaning, the interest will be added to the principal amount of your loan, and additional interest will be based upon the higher amount. Paying the interest as it accumulates will reduce the amount of interest that must be repaid.

- Repayment begins 6 months after you graduate or are no longer enrolled for 6 or more credits. Payments are made directly to your loan servicer.

Financial Aid and Scholarship Services

Graduate PLUS Loan

- Graduate PLUS loans are available to eligible graduate and professional students up to the cost of attendance minus other financial assistance offered each academic year. To be eligible, you must be enrolled in 6 or more matriculated credits, with a valid FAFSA on file, and not have an adverse credit history.

- First-time borrowers will be required to complete a Master Promissory Note and Entrance Counseling before loan funds can be disbursed.

- If a Grad PLUS is denied, the borrower will receive notification from the federal government as to the credit decision. The borrower has the option to re-apply with a credit-worthy endorser.

- Interest begins accruing once the loan is disbursed. Borrowers may choose to repay the interest monthly, quarterly, or have the interest capitalized. Repayment of the principal balance plus interest begins 60 days after the loan has been disbursed. However, the borrower can defer payments while they are enrolled at least half-time (six credits) by contacting the loan servicer.

Financial Aid and Scholarship Services

Private Educational Loan

- Students can apply for private loans, which are available if they need additional loan funding after considering federal loan options.

  - This is offered by a private lending institution and is based upon credit.

  - This is in the student's name and the student may need a co-signer to apply.

- You have the freedom to select a lender and the application process is handled directly with the lender you choose.

- If you need help selecting a lender, you may refer to our Private Educational Loan Lender List.

- Private loans may also be available to students enrolled less than part-time or in a non-degree program.

  - Please make sure to review the enrollment criteria before applying for a private loan.

  - If approved, the loan funds will be sent directly to the university.

Financial Aid and Scholarship Services

Other Options

The following are available options to 'fill the gap' between your college expenses and your financial aid awards:

- You may pay the balance due in full each term. Payments can be made by credit card, debit card, or check. To make a payment with a credit card, log in to the <u>SOLAR System</u> and click on "Account Summary/What Do I Owe?". Additional billing/payment information is available on the <u>Student Financial Services website</u>.

- You may pay the balance due in installments by signing up for the University's <u>Time Option Payment Plan</u> (TOPP).
  - Due to the brief length of the Summer and Winter terms, the Time Option Payment Plan is not available during these semesters.
  - The Time Option Payment Plan (TOPP) is a semester-based program. As such, you are required to enroll in the program each semester you would like to participate. Since the plan is not a loan, there are no interest or finance charges. You pay a $50.00 non-refundable application fee which is included in your first payment.
  - Enrollment in the TOPP program must be completed online through SOLAR under "Campus Financial Services." **In order for your enrollment in the plan to be effective, you must make your first payment at the time of enrollment.**
  - In order to be eligible to participate in the TOPP program, any remaining prior semester balances must be paid in full.
  - Enrollment in the program will allow for your payments to be distributed equally over three or four months, depending on when you enroll.

Additional Scholarship Opportunities

The Office of Financial Aid & Scholarship Services administers scholarship opportunities for continuing students via Scholarship Universe, a matching tool based on students' personalized profiles.

ScholarshipUniverse

Stony Brook University

Welcome to Scholarship Universe, Seawolves!

Scholarship Universe is a scholarship matching tool based upon your personalized profile.

Current Stony Brook students should log in with their Net ID. Students will be able to match and apply to scholarships directly through Scholarship Universe.

LOG IN TO SCHOLARSHIP UNIVERSE

Prospective students can view this page for opportunities that they may qualify for if they decide to attend Stony Brook University.

NOTE: The scholarships added by Stony Brook are applications for the 2022-2023 academic year. Not all departments have their scholarships loaded into Scholarship Universe yet, therefore students may want to check with their academic departments for additional scholarship opportunities.

SCHOOL OF HEALTH PROFESSIONS

The SHP Office of the Director of Diversity (ODD) works collaboratively with faculty, staff, students, and other stakeholders to promote a broadened individual and collective understanding of diversity, equity, and inclusion. Our aim is to create a culture of inclusion and social justice within the School, by recognizing its diversity and addressing mechanisms of systemic bias that affect marginalized groups.

Incoming Students

1. You will need to complete the four page [Health History](#) [Examination Form](#)

2. Once the form is completed the student would submit on the health portal which is "Wolfie Portal".

3. This should be completed by now but if not, as soon as possible!

Documents Required for the University

To ensure a healthy and safe campus community, if you plan to enroll in at least one in-person class, live on campus, or access in-person services or facilities on Stony Brook's campuses, you are required to comply with mandatory immunization requirements. Evidence of MMR immunity includes any of the following as long as the first dose is administered on or after the first birthday and the second dose is administered at least 28 days after the first dose:

- TWO DOSES of MEASLES/MUMPS/RUBELLA (MMR) VACCINE
- TWO DOSES of MEASLES VACCINE, ONE DOSE OF MUMPS VACCINE AND ONE DOSE OF RUBELLA VACCINE
- TWO DOSES OF MEASLES, MUMPS, RUBELLA, VARICELLA (MMRV) VACCINE
- COVID Vaccine

In lieu of (not in addition to) an acceptable combination of vaccines above, a positive blood test (a quantitative titer only) showing protective antibodies to measles (rubella), mumps and rubella is acceptable to prove immunity. A copy of the official lab report must be provided.

FAR BEYOND

For Clinical Rotations

For students to participate in clinical rotations, it is the students' responsibility to have all required documents uploaded to CastleBranch$^{®}$ and to check that they are in compliance with their individual program requirements before attending any clinical rotation. Any student out of compliance will not be allowed to attend any clinical activities.

Dean's Advisory Board

*The **Student Advisory Committee to the Dean** is composed of one student from each class of the SHP professional programs (one from the first year, one from the second year, and, if relevant, one from the third year classes), representatives from each section in the Health Science program, Stacy Jaffee Gropack, and Associate and Assistant Deans. Each class should elect its representative as soon as possible after the beginning of classes for the new academic year. The Dean's Advisory Committee meets regularly, usually once a month, according to a schedule chosen by the members. It may meet more often as required by student needs.*

Office of Diversity, Equity, and Inclusion (DEI)

Mission:
- Work collaboratively with faculty, staff, students, and other stakeholders to promote a broadened individual and collective understanding of diversity, equity, and inclusion.
- Create a culture of inclusion and social justice within the School, by recognizing its diversity and addressing mechanisms of systemic bias that affect marginalized groups.
- Foster growth and advocacy for ALL members of the School.
- Advises and recommends policies, professional development, and pedagogical practices as is consistent with the mission of the SHP.
