

Config TB Mega Menu

Item Configuration ([MegaMenu Toolbox](#))

[Edit links](#)

This allows you to configure each link you added in the Drupal core menu. You can: add block, have it styled by adding extra class, set icon (Bootstrap icons) and add description.

Submenu	Extra class	🔍 Icon	Item caption	<input type="button" value="Save"/>	<input type="button" value="Reset"/>
<input type="checkbox"/> No <input type="checkbox"/> Yes	<input type="text"/>	<input type="text"/>	<input type="text"/>		

Homepage	Fellowship Program ▼	Application	Training Sites	Recent Graduates	Our Faculty
Endocrinology Grand Rounds ▼					
<u>Program Director's Message</u>					
<u>Seven Unique Qualities of Our Program</u>					
<u>Clinical Rotations</u>					
<u>Conferences</u>
